

CAREY E. FREGIA, IIDA, RID

As SGDesign's Associate Principal of Interior Design, Carey brings a fresh perspective to every project she's involved in. She enjoys providing clients with innovative solutions and collaborating with them to achieve their design goals while balancing budget and schedule.

Carey has a passion for understanding clients viewpoint by discovering how their space should function and examining what their day-to-day responsibilities encompass. She serves as a guide and advocate and leads the design process with a focus on renewal and sustainability for long-lasting value for her clients.

A selection of Carey's recent projects includes:

- Wells Fargo

Design - 1998

“

As we are wrapping up our project, I wanted to take a moment to let you know how much I enjoyed working with Carey. This project was very complex and impacted multiple floors. She worked tirelessly to make sure every detail was important, and I just wanted to let you know that it has not gone unnoticed!

Confidential Financial Client
