

CAREY E. FREGIA, IIDA, RID

Carey is SGDesign's Associate Principal Interior Designer and brings a fresh perspective to every project she's involved in. She enjoys providing Clients with innovative solutions and working with them to achieve their design goals while balancing budget and schedule.

Carey has a passion for understanding Clients' viewpoint by discovering how they do their jobs and examining what their day-to-day responsibilities entail.

Carey serves as a guide and advocate in the best interest of her Clients and leads the design process with a focus on innovation and sustainability for long-lasting value for her Clients.

A selection of Carey's recent projects includes:

- › A multi-phased corporate restack consisting of 7 floors and approx. 100,000 SF, coordinating with multiple departments.
Confidential Client.
- › Fogo de Chao, high-end restaurant interior design - multiple locations
- › Red Mountain Weight Loss
- multiple locations
- › Wells Fargo's corporate spaces
- multiple locations
- › Hammbone Willy's, a new casual dining restaurant concept - multiple locations

Education:

Texas A&M University,
College of Architecture

Bachelor of Environmental Design 1998

From one of Carey's client's ...

As we are wrapping up our project, I wanted to take a moment to let you know how much I enjoyed working with Carey! This project was very complex and impacted multiple floors. She worked tirelessly to make sure every detail was important, and I just wanted to let you know that it has not gone unnoticed!
